School Description

Lincoln Crossing Elementary School opened in August of 2006. The school serves students in grades TK-5 with RSP, Speech, and intervention support services offered. Science and music curriculum are provided to students in grades 1-5. The school has a library, science lab, music room, seven Chromebook carts, both a 1-5 and K playground and multipurpose room.

The mission of the Lincoln Crossing Elementary School team is to prepare our students with the skills, knowledge and attitudes to become lifelong learners and responsible, contributing members of society. We model "The Colt Way" by being safe, respectful, responsible and problem solvers in class, in play and in life.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: 12/19/17		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	Gas systems and pipes appear safe, functional, and free of leaks. There is no odor that would indicate a gas leak. Gas pipes are not broken and appear to be in good working order. Heating, ventilation, and air conditioning systems (HVAC) as applicable are functional and unobstructed. The HVAC system is operable. Sewer line stoppage is not evident. There are no obvious signs of flooding caused by sewer line back-up in the facilities or on the school grounds.
Interior: Interior Surfaces	Good	G 104: Vinyl wall surface damage Music: Broken ceiling tile D 101: Vinyl wall surface damage
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	School grounds, buildings, common areas, and individual rooms appear to have been cleaned regularly. There is no evidence of a major pest or vermin infestation.
Electrical: Electrical	Good	Restrooms: H Girls - missing light diffuser, light fixture not working, H Boys - missing diffuser, Light out

School Facility Good Repair Status (Most Recent Year)
Year and month in which data were collected: 12/19/17

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	K-1: Chipped paint on boys restroom door Drinking fountains appear to be accessible and functioning as intended.
Safety: Fire Safety, Hazardous Materials	Good	The fire equipment and emergency systems appear to be functioning properly. The fire sprinklers appear to be in working order (e.g., there are no missing or damaged sprinkler heads). Emergency alarms appear to be functional. Emergency exit signs function as designed, exits are unobstructed. There does not appear to be evidence of hazardous materials that may pose a threat to pupils or staff. Hazardous chemicals, chemical waste, and flammable materials are stored properly (e.g. locked and labeled properly).
Structural: Structural Damage, Roofs	Good	There does not appear to be structural damage that has created or could create hazardous or uninhabitable conditions. Severe cracks are not evident. Ceilings & floors are not sloping or sagging beyond their intended design. Posts, beams, supports for portable classrooms, ramps, and other structural building members appear to be intact, secure and functional as designed. There is no visible evidence of severe cracks, dry rot, mold, or damage that undermines the structural components. Roof systems appear to be functioning properly.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	The playground equipment and school grounds in the vicinity of the area being evaluated appear to be clean, safe, and functional. Conditions that pose a safety and/or security risk are not evident. There is no exposed broken glass accessible to pupils and staff. Exterior doors and gates are functioning and do not pose a security risk.
Overall Rating	Good	None

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	59.0	66.0	54.0	55.0	48.0	50.0
Math	42.0	54.0	39.0	43.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	20.6	28.0	21.5

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Students with Disabilities	43	42	97.67	35.71

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parents are considered key partners in the education of all students and are involved in a variety of ways including:

- Serving on an active Parent Teacher Club (PTC) coordinating monthly events/activities the support family and student engagement. Activities include an annual jog-a-thon, family dance and bowling nights, providing special assemblies, assisting in the funding of classroom and school materials, and supporting extra curricular activities.
- Serving as a classroom Art Docent presenting monthly art lessons in classrooms using standards based art curriculum and materials provided by our PTC.
- Dad's serving as a WatchDOGS (Dads Of Great Students) and volunteering at least one day a year on campus. These dads help in their child's classrooms and provide extra supervision during lunches and recesses and they support keeping our students safe at morning drop off.
- Serving on the School Site Council which is responsible for monitoring the School Improvement Plan. In addition, our English Language Advisory Council allows families of our English Language Learners to offer feedback on our programs and guide our site priorities.
- Volunteering in their child's classroom and/or assisting the teacher with various activities on and off campus.
- Attending class field trips scheduled throughout the school year.

We host at least one parent education night each trimester with a focus on our site goals, interventions we offer and/or family nights that promote engagement of parents and children with our curriculum.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The School Safety Plan, revised and approved in November of each year, lays out a plan for ensuring students learn in a secure and safe environment that covers routine and emergency procedures. Arrival and departure procedures are in place to ensure the safe and orderly ingress/egress of students. The campus is closed during the day with all visitors checking in through the office. Staff monitors students at all times throughout the school day including movement about campus and recess times. Classroom doors have been designed to be locked from the inside should lock-down procedures be implemented. Each door on campus is equipped with additional supports in case of the need to quickly secure them - classroom doors have magnetic strips that cover the strike panel, and push through doors are secured with emergency straps that can be unlocked to allow for instant door locking. We have added on "barracuda" to each classroom; it is next to an exterior door. Emergency procedures have been refreshed and are rehearsed throughout the school year. We use the PBIS system to support positive choices on campus, and is used to recognize and reward students for positive behaviors that specifically contribute to a school climate that minimizes negative behaviors (such as bullying, fighting, teasing).

5	30	126	37				4	4	4		3	1

* Number of classes indicates how many classes fall into each size category (a range of total students per class).

Professional Development provided for Teachers

Western Placer Unified School District provided three Staff Development Days each year for the last two years and four days in the 2017-18 year. Additionally, many opportunities are available for staff development credit, both during the school day and after hours for Staff Development Buyback credit. All staff have the opportunity to participate in grade level collaboration for 2 days in 2015-16 and 2016-17 and up to 4 days in 2017-18. In 2018-19, there were two days of collaboration offered to each teacher team, and work/planning/collaboration time offered for our music, science and special education teachers. Teachers who service ELD students have attended the districts ELD training. In addition, several teachers have participated in 9 days of professional development related to GLAD strategies or to a 2 day 'refresher' on the strategies. Staff have participated in ELA training offered by our local Reading Council and to Special Education/MTSS Tier II training offered by the county and our SELPA. We have invited special guests to our staff meetings in order to support professional development related to classroom behavior and math curriculum. We have made it a priority to have our teachers offer PD in our staff meetings about strategies and activities they are engaged in or learning about. Our District's Educational Technology Coordinator is also our part time assistant principal, and she has exposed numerous classes almost all grade levels to innovative technology applications, including coding. Our 5th grade team attended the Summer Institute for AVID in 2018 and continues to implement the AVID program and attend additional training offered by Sacramento County. This spring, our 4th grade team will be attending a preview program related to AVID. One teacher attended the Youth Development Instituted training offered by our District this winter.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded

Lincoln Crossing receives School Improvement Funds and Art/PE funds that are allocated by the School Site Council in the following ways:

- Substitute costs and workshop fees allowing staff to attend curriculum specific trainings.
- Substitute costs for staff to work in grade level teams analyzing the results of student performance and developing strategies for helping all students reach their potential.
- Technology Funding: (Accelerated Reader, Intervention Software, Parent Conference Scheduler, chromebooks for classroom use).
- Instructional supplies (classroom books, etc.)
- Teacher stipends for Musical Theater, SST Coordinator, Leadership Program Coordinator
- Assemblies that address academic, social, and emotional skills of students.
- Resources for parents.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
