

1-3 Thousandths

To read a decimal, say the name of the number to the right of the decimal.

0.123 one hundred twenty-three

Then look at the last digit and see what place it is in. Add this to the end of your answer.

0.123	one hundred twenty-three thousandths
↑	<u>123</u>
thousandths	1000

Guided Practice

1. 0.003 $\frac{3}{1000}$

5. $\frac{389}{1000}$ 0.389

2. 0.050 $\frac{50}{1000}$

6. $3\frac{673}{1000}$ 3.673

3. 7.001 $7\frac{1}{1000}$

7. $\frac{211}{1000}$ 0.211

4. 0.393 $\frac{393}{1000}$
